

# HALLOWSMAS

## The Veil is Thin

October 31

The Celebration of Hallowsmas is the third harvest celebration.

We carve pumpkins with our intent and the light them up!  
We ingest the seeds and pumpkins in yummy breads and seed delights.

We honor the ancestors with sacred fire  
and bury a stone in remembrance of ourselves.

It is a magic filled ritual.  
With totems of cats, bats, owls and ghosts.
